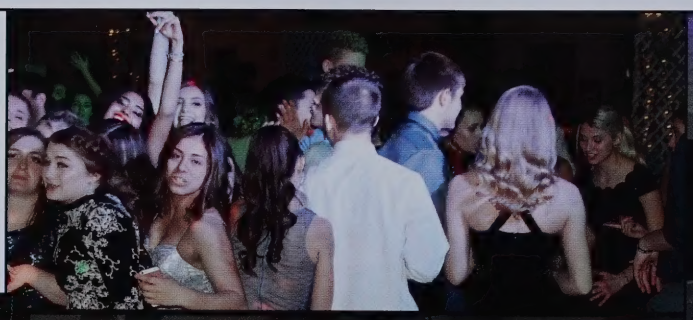
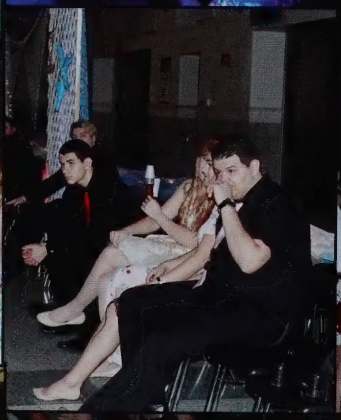
SEMIFORMAL

Art League's semi was a fun, undersea success, with flowing lights and reverberating bass.

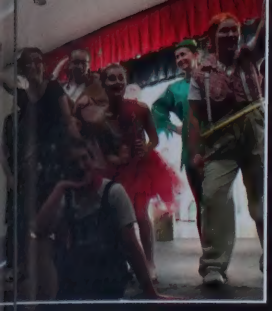


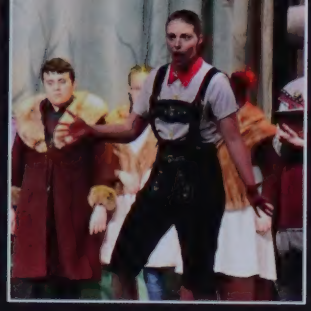


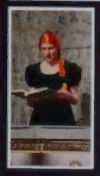
DeKalb's Trip to semiformal, Castaway, featured fun bops, imps, and Lil' Jerry, as well as lots of gettin down on the ancefloor.

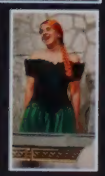
YOU CAN'T TAKE IT WITH YOU

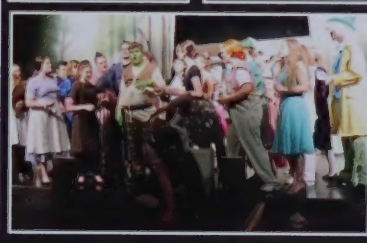
This play starts off introducing Penny Sycamore's family. Her family is what some would call a bit "peculiar." Their home is full of love, however. Penny has fallen in love with Tony Kirby. The Kirby's are the exact opposite of the Sycamores, having the finer things in life. Throughout the play, the audience learns that the material things do not matter because "You Can't Take it With You."

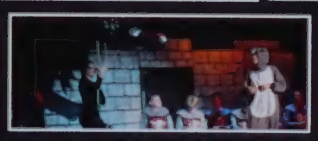


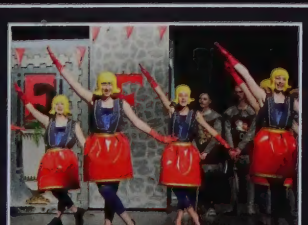












An ogre with a wild temper is tasked with helping the fairy tale creatures to get their homes back, so that they will get out of his swap. In his journey he must rescue the princess and along he meets a stirdy sidekick, Donkey. When he rescues the beautiful princess, Fiona, he must bring her back to Prince Farquad, but things get a bit sticky in "Shrek the Musical."

On May 11th, the DeKalb Barons packed up their dresses and suits and spent an evening in Paris, France. Their evening was full of dancing and singing!

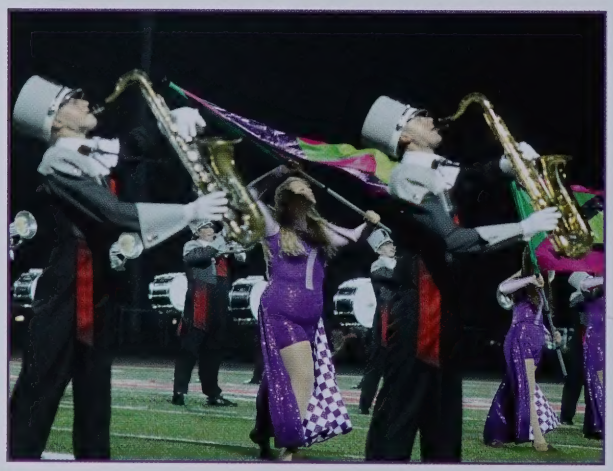
Between Order & Chaos

A Small Town Marching Band and ColorG with the ability to sweep the fields, knoc other schools off the field with dedicatio determination

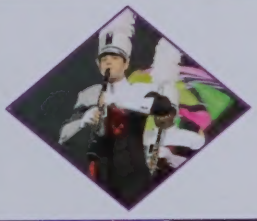


"To be involved in marching band and colorguard takes tremendous amounts of commitment and dedication. We don't take breaks, a work long hours every week including school breaks in any weather condition. We continue to do our best every single week in order to stronger musically and physically. It is an absolute honor to work with individuals who are committed and driven to do the best they possibly can everyday, and I am proud to call them my band family." -Samantha Benbow

Opening competition at Bluffton High led to a full sweep of Class B Bands, with DeKalb winning Best Music, Best Visuals, and Best Effect, first place overall

ooper Steward, lorGuard Captain, as the ColorGuard in rmups & practices

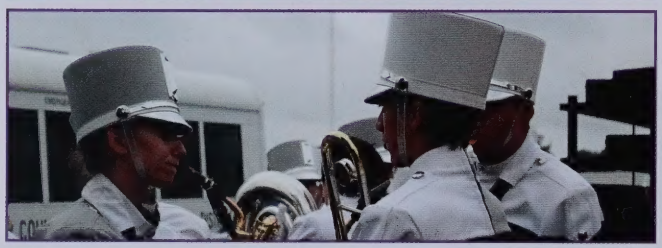
We have had a unique journey into this year's show. From a beloved band director retiring, to a new director taking over there has been a lot of turn over. "Medea's Dance of Vengeance" demonstrates the chaos of change while "It Is Well" demonstrates where we have arrived with a band family and new leadership.
-Shanna Lank, Director



Color Guard

WELCOME TO THE ORDER

The ColorGuard has doubled in size from previous years!



"Respect comes to mind first because, in all of the 5 years that I have
involved with the Brigade, respect is one of the first things I learned c
into the program. You learn to respect one another, no matter experie
age, director or staff, senior or freshmen, rival group or not. If you g
respect, then you gain respect." - Jennifer Blohm

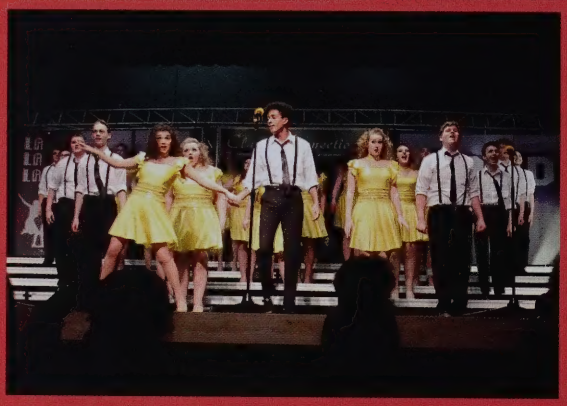
Thoughts from a performer...

"Ever since I was a little girl all I've wanted was to be in show choir. Now that I'm here I love it! I always knew being on stage was my dream. I want to give a huge thank you to this group, for sticking through it. I've made friends in this group that I'll have for the rest of my life." - Blair McKown



"The DHS Choirs had a good season this year. Classic Connection competed at Bishop Dwenger, Garrett, Huntington North, Homestead, Mooresville, and Norwell Show Choir invitationals, receiving 4th runner up at Norwell! We also had students compet ISSMA Solo & Ensemble, where freshman Concert Choir member Eva Hallman received a gold rating and advanced to state contest. Our Jazz Choir received a silver award at ISSMA Jazz Festival, with Gabe Tobierre, Missy Jauregui, and Dorian Underwoo receiving distinguished soloist awards. All choir students also sang at ISSMA Concert Contest, with both Classic Connection and Concert Choir receiving gold ratings from the judges!" - Mr. Joshua Doubblestein

The 2019 show included an all boys number that featured a classic sing along to the Ghost Busters theme song. The boys played a timeless performance with the addition of modern dance moves. The girls performed a Dolly Parton cover of "9-5" that highlights the groups strong sound and intense chorography.

DeKalb High School's Classic Connection

Classic Connection made the transition from a new choir director, Mr. Joshua Doubblestein, while they decided to relive and recreate some of old Hollywood's most notorious songs. The perfect combination to teach a new dog old tricks.

...we survived 720 different days filled with different moments. Each of the 720 days held their own version of laughs, academic breakdowns, and some of the happiest experiences in our lives thus far.

Sidney Gerig- Valedictorian
Seek opportunity for greatness and never let go. Thank you teachers, administrators, faculty, and staff for four amazing years here at DeKalb And thank you, Class of 2019, for one heck of a ride.

Emily Cupka
Learning is the most powerful thing we can do. As we all go on our separate paths, there will be endless opportunities to learn from, and thousands of lessons to be learned. I want us all to remember that we should never let anything hold us back from our goals.

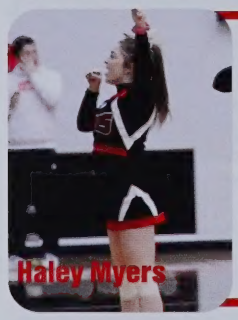
"This basketball season, some of my favorite memories are when we would be on the bus rides going to away games - we always made those so much fun. Another one of my favorite memories was all of our funny sideline conversations."

Hanna Harvey

"Something that I will miss the most about cheer is being put into the air, and being able to pump the crowd up. The closest thing to flying is what I will miss the most as well as seeing the crowd come to life. It was the greatest feeling in the world."

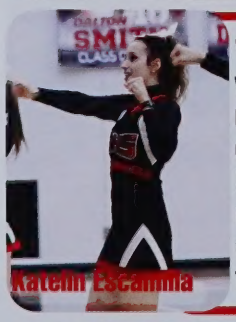


Haley Myers

"My most memorable moment of my cheer career was when we were cheering for the football senior night this year , and when we were warming up our stunt, I fell out of the stunt and fell directly onto my face. "

Melodie Lerma

"One thing I will miss the most about high school cheer, will definitely be my team. They have helped me throughout everything and been there the most when I've been lost and believed in me when I didn't believe in myself. I can't thank them enough."



Katelin Escamilla

"My most memorable moment was definitely flying on senior night , as well as getting a black eye and a bruised chin from Hanna. Of course the most memorable moment of my cheer career, was all the friendships that I have made."

Haley Button

"My favorite cheer memory would be hitting a stunt consistently, especially after not being able to hit a stunt, and continuing to make it better, and then after a while, we would finally hit and it was one of the best feelings in the world."

Class of 2019

Special Thanks

The 2019 Yearbook Staff put together a great book for our 52nd edition, so we hope you enjoy it! The staff worked diligently trying to picture or feature everyone in the book at least three times; the staff contacted students during lunch time, before school, and after school either in person or via social media. Some students chose not to participate, so they may not be pictured more than the school photo. Thank you to all the students, coaches, and staff who agreed to give quotes and pictures for various spreads in the yearbook.

The 2019 staff chose the theme: "DeKalb's Trip: A Small Town with Big Dreams," and incorporated the theme in various ways throughout the book. On the cover, you will notice "Big Dreams/Events" that took place in our small town last year; the staff felt it was important to highlight those events on the cover. Also on the cover, you will notice the airplane design and how everything is connected. Finally, on the back, we selected the outline of the state of Indiana and filled it with all the seniors' names. Notice: There is a Baron marker for the town of our school.

The 2019 yearbook staff would like to thank those who helped or contributed to the production of this publication in some way. Thank you to our Lifetouch representative, Michelle Hollandsworth, you are such a great asset to us. We would also like to thank the various photographers who contributed multiple pictures in our book. We would also like to thank Mrs. Rohm for all of her guidance, time and talents.

Finally, we would like to end with a few final thoughts. We worked many hours both in and out of school to produce this book, and we are very proud of it. If you appear on a page, but you were not properly indexed, we apologize. We check, check, and then check again for errors; we also have editors who check final submissions. This is a student publication, so we apologize for any error that may have been overlooked.

Thanks for the Memories, Barons!
